5X1	This information supplements previous reports.(x) According to the report, a small shipment of trucks and heavy weapons belonging to component units of the Fourth add and Army (Cadre) arrived in JUETERBOU on 15 August 1949, and a train with recruits from the Soviet Union was unleaded in JUETERBOU and RUD ERSTORE on 16 August 1949. Other shipments of troops, presumably recruits, arrived in JUETERBOG from the direction of BEELIN on 25 August 1949.	
5X1	The report does not indicate any other change in the previous occupation of JUNTERBOG. It is assumed with a high degree of certainty that a component unit of the 14th Gds weez Div (Cacre) is located in the JUNTERBOG Turm Raserne,	25X
